International Conference of Young Scientists - 2012

ŠIAULIAI UNIVERSITY

DEPARTMENT "SALDUVĖ" OF LITHUANIAN SOCIETY OF SCIENTISTS

INVITATION

10-11th of May, 2012

With the great pleasure we invite you to the second International Conference of Young Scientists which will be held at Šiauliai University, Lithuania.

Communication among young scientists is the best way to develop cooperation between Universities, exchange experience in doctoral studies and share scientific ideas. The relationship between institutions will be long-term and best developed when young scientists participate in joint activities and projects.

Themes

- Science in Society
- Young People and Science
- Research and Innovations in Education
- Education Systems in the 21st century
- Education for Sustainable Development
- Disability and Social Participation
- Social Welfare and Social Cohesion
- Inclusive Education
- Phenomenon, Problems and Challenges of Modern Society
- Europe: Diversity of Cultures and Policy
- Language and Modern-day World
- Language Teaching/Learning Paradigms
- Dimensions of Language Research
- Economic Research in Conditions of Globalization
- Management of Social Processes in Knowledge-Based Society
